Include the current value of the asset and corresponding income from the asset in the space provided. In addition, please list all owners of the asset and the addresses for each institution that maintains the asset or other contact for verification purposes. Note: According to the regulations which govern this program, we can prorate the ownership of an asset among “effective” owners of an asset. “An asset is not effectively owned when the asset is held in an individual’s name but (a) the asset and any income it earns accrue to the benefit of someone else who is not a member of the family (household), and (b) that other person is responsible for income taxes incurred on income generated by the assets.” (HUD Handbook 4350.3 Rev-1, 5-7, D.2) This means that assets which list other non-household members for the sole reason of access to the asset in the case of emergency or death are not considered to be jointly owned for the purposes of this program.*
